The Tahquamenon Country Pathways Association is organized to conceive, create, build, develop, and promote non-motorized trails in the Paradise and Tahquamenon Falls area; educate the public in the use and appreciation of these trails and all aspects of its natural surroundings; Promote fun, fitness, and fresh air; and Engage in any other lawful activity consistent with the above purposes. The directors of the association with the suggestions provided by association members have put together these projects toward this mission.

Contributing to one or more of these projects identifies your vote as to how your money should be spent. Please provide us with your contact information so that we might keep you informed as to the status of the project(s) you've selected and your contributions to that end. Please mark those projects that you support by your contribution. Feel free to identify how much money to apply to each fund. Your Donation is TAX DEDUCTIBLE. Please keep a record for your files.
